

REGISTRATION PROTOCOL

Effective August 30, 2021, the Online Child Care Registry was phased out and no longer provide families with a platform to find space for children in a licensed childcare facility.

In case you had an account with the provincial site we can assure you that you are still on the list and your information was transferred into our in house waitlist. At this point we are asking everyone to contact us if you know you no longer need care at our center so we can remove you from the list.

For families looking for care, and had no previous account with the Online Child Care Registry, moving forward adding your child to our waitlist, please follow the steps below:

***Just a reminder that Voyageur In School Program Inc. is a school age program with a very small (5 spaces) Kindergarten component. Entry to our center occur when children enter to Grade 1 and attending to Ecole Voyageur.**

1. Please call Voyageur In School Program Inc. at 204-832-4707 or email to vipkids@mymts.net.
2. Have the following information ready:
 - Child's name
 - Child's birthdate
 - Your Address, phone number and email
 - The date you require care
